Newington's PDA Rep Peg Lamson asked the Selectmen to hear a quick presentation from 2 gentlemen representing the Boy Scouts of America. Looking for a Jamboree setting they asked the Selectmen if Newington might be a consideration as they are co-sponsoring the Air Show. Jamboree set up is slated for Friday, August 27, then Air Show Saturday & Sunday (28th & 29th). They would take care of porta potties, insurance, trash, bussing and all essentials. Expecting between 2,500 and 3,000 scouts. In summary, they will again meet with a Selectmen's rep, Ms. Lamson, and others to view the areas offered on May 3rd at 2:00pm-areas at Fox Point (not areas that may displace the 'farmer' per Chr. Stuart), perhaps behind the Stone School or portions of the field behind Old Town Hall (providing it doesn't interfere with our residents viewing the air show per Selectman O'Reilly), portions of the school's land, parts of the town forest. ***Selectman O'Reilly moved to allow the Boy Scouts of America to utilize Newington for their Jamboree Aug 27-29th providing the logistics can work out. Selectman Iocovozzi seconded. Motion passed 3-0. Actual areas to be confirmed after their next meeting***

Minute Approval: ***Selectman O'Reilly moved to approve the minutes of April 5. Motion passed 3-0***

Carriage House Storm Damage: For the record, Selectman O'Reilly felt that the damage to the Carriage House should have been processed through the Town's Insurance and the contractor be responsible for costs not covered under our policy.

Both Chr. Stuart and Selectman Iocovozzi disagree.

2013 Committee: Chr. Stuart gave a brief overview of the need to form a committee early in the game as before you know it, 2013 will be upon Newington (300th celebration) She nominated Beatrice to be head the planning however, both selectmen felt Jan should be part of it. Beatrice and Chr. Stuart are Co Chairs.

YMCA Contract: Cost: \$23,992. Families pay \$400 per participant (cap at \$800). 8 Weeks at Old Town Hall. ***Selectman O'Reilly moved to approve, Selectman Iocovozzi seconded. Motion passes 3-0***

Railing and Step Damage at Dock on Fox Point: Waterfront Engineers have been called on this and will give us estimates as well as determine if this project can be repaired as part of the erosion permitting. Chr. Stuart is to look at the railing & stairs and determine if they are necessary or not.

Town Facility Use Request: Seacoast Wind Ensemble-April 27- Town Hall Audi-6:30 til 9:30 ***Motion passed 2-0-1 with Selectman O'Reilly abstaining.***

Old Business: OU1 Coakley Update: Admin Asst Marconi found a spread sheet showing long term payments for monitoring and clean up. Newington was slated for a 2013 balloon payment of around \$300,000. After contacting Attorney Ahlgren, he informed us that the spread sheet was changed to reflect a balloon in 2020. The Board will revisit this issue in 6 years.

Respectively Submitted,

Beatrice Marconi
Administrative Assistant
