**Members Absent:** Nancy Cauvet, Jim Weiner, and Jane Kendall

**Also Present:** Wayne & Patricia Wood, and Tom Morgan

**Commencement:** Ms. Hislop commenced discussions at 6:45 PM.

**Wayne Wood** presented a proposal to construct an access drive to his 20-acre backland lot (Tax Map 52, Lot 7) over the 2.25 acre parcel acquired by the Town of Newington from Bill Beals at the eastern end of Airport Road (Map 52, Lot 6). The presence of prime wetlands would make the requisite permit by NH DES problematic. Mr. & Mrs. Woods were advised to explore other alternatives for access, e.g. over the PDA drainage ditch or via the Peterson property.

The discussion ended at 7:45PM.
