**Status:** some windows installed, sheetrock being installed on the ceiling. Conduit is being installed in the ground.

Shelving will be installed above the office rooms for artifacts. All agreed it would be a good idea to do that on both sides of the interior.

Gail from HDC mentioned they would like to cover half the cost of a new sign which will be included in next year’s budget. Sign will be erected somewhere in the vicinity of the Old Post/Nimble Hill Road intersection.

LBOT and Ron discussed cost status-on schedule with the ability to likely to cover the parking lot base coat.

Respectfully submitted
