**Members Absent:** Dorothy Watson

**Commencement:** Chairman Richardson opened the meeting at 6:33 PM.

**2009 Budget:** Hislop noted that the forester charges \$65/hour. Following some additional discussion, the commission agreed on the following: \$2,500 for Secretarial Services, \$6,000 for Legal, \$200 for Supplies, \$200 for Dues & Subscriptions, \$250 for Beautification, \$3,000 for a Wetlands Consultant, \$100 for Reference Books, \$4,000 for the Town Forest, and \$4,000 for Prior Year Encumbrance. Hislop moved to adopt a budget of \$20,250. Lamson seconded. All in favor.

**October 9 Minutes:** Lamson moved to adopt. Stern seconded. All in favor.

**Stormwater Management Grant** from the NH Estuaries Project. The grant would be utilized to hire an expert to assist the Town in upgrading stormwater discharge regulations. Lamson moved to submit an application for the grant. Hislop seconded. All in favor.

**William Black Culvert Replacement:** Richardson noted that DES approved the project and that the work has already been completed. No one objected.

**Next Meeting** is scheduled for December 1
