

**Board of Selectmen Minutes
Non-Public December 28, 2005**

Sealed -

*Note: These minutes voted to
be unsealed by Selectmen 12/4/2006*

The Board entered non-public at 6:09pm with Jan Stuart motioning under RSA 91:A-3 (a) personnel. Jack O'Reilly seconded. Motion passed 3 – 0 on a roll call vote.

The hours of our employees being available to the public was discussed.

Although there are night meetings required, it was important to the Board that the departments service was available for public benefit as well.

There are 3 employees that are salaried and are required to attend night meetings yet be in the office. The Board wants to be sure that the same rules apply to all and that the proper amount of hours are covered.

A letter will be drawn and signed by the Chairman once the Department of Labor has been contacted to ensure we are within our limits of expectations of the employee's hour under the requirements of the law.

Jack O'Reilly moved to come out of non-public at 6:33pm and to seal the minutes with a second from Jan Stuart. On a roll call vote, motion passed.

Respectfully Submitted,

**Beatrice Marconi
Administrative Assistant**
