

Newington Planning Board

Monday March 24, 2014 6:30 PM

Agenda

1) **Public Hearing:** A) Proposal by Sea-3 to reconfigure its terminal at 190 Shattuck Way (Tax Map 14 Lot 2; and Map 20 Lot 13) in order to accommodate Liquefied Petroleum Gas (LPG) shipments via rail, and the export of same via ocean-going ships, and via truck to customers in New England.

A) Track Inspection – Report by John Robinson of NH DOT

B) Fire Safety Analysis – Report by Philip Sherman

C) Traffic Study – Report by TEPP, LLC

D) Emergency Response – Report by Chief Andrew Head

2) **New Business:** PSNH Transmission lines

3) **Planning Board minutes** of March 10

4) **Correspondence**

5) **Pending Business:** Re-visit Newington Master Plan; Improve signage in the Shattuck Way corridor; Capital Improvements Program; Update Rules of Procedure; and LED signs

Denis Hebert, Chair
Planning Board
