

PROCEDURE FOR SITE PLAN REVIEW

PLEASE COMPLETE AND RETURN ENTIRE PACKET

Please read this packet. If you have any questions, contact the Town Planner at (603) 436-7640 or by e mail at gcoogan@townofnewingtonnh.com.

1. You may request an appointment for a preliminary discussion with the Town Planner by contacting the office at 436-7640.
2. Contract with a State of New Hampshire licensed professional engineer to prepare the Site Plan Review (SPR) application and plan. You will need to have a New Hampshire land surveyor sign and stamp the plan before it can be recorded at the Rockingham County Registry of Deeds (RCRD).
3. File application (including abutters list*), copies of any required State and Town permits or pending applications, eight (8) copies of the plan, supporting documents and necessary fees to the Planning Board no less than twenty-one (21) days before the scheduled public hearing. Public hearings are held on the second and fourth Mondays of each month, unless otherwise posted. **All submitted documents must include the property address and property tax map and lot number.**
4. After the Planning Board accepts the site plan as complete and starts the public hearing process, the applicant shall clearly identify all changes in future revisions by clouding or another suitable method and shall identify each revised plan by number and date.
5. Before your Site Plan is signed and recorded by the Planning Board, all fees must be paid according to the State and Town regulations. Please have your agent bring the mylar plan, proposed for recording to the RCRD, and have it “pre-approved” by the Rockingham County Registry of Deeds (RCRD) before submitting it to the Town of Newington for signature. Note that the RCRD’s recording requirements can be quite exacting and often mylar plans are rejected at the time of recording. Preapproval is necessary.

I have read the procedures for Site Plan Review and the Town of Newington’s Site Plan Review Regulations (SPRRs) and I understand them.

The Newington Planning Board requires the applicant to submit \$5,000.00 to pay all reasonable engineering costs, legal fees (to include document review and responding to any legal questions by the Planning Board, including the expense of possible meeting attendance by legal counsel) and Town Planner review fees, incurred by this application. For good reason presented by the applicant, the Planning Board may reduce or waive this requirement. This will include costs directly associated with the checking of my application by the Town Engineer, Town Planner and other professionals as required, including onsite inspections. I(we) also understand that any engineering costs which the board feels it must incur in order to reach final approval of my application will be billed to me. Fees will be discussed at a public hearing prior to the beginning of any work. Any portion of this \$5,000 that is not expended during the course of the review will be returned after the approval of the application by the Planning Board. The applicant has the responsibility to request the release of the balance of any remaining escrow funds held by the Town of Newington. If the application review costs exceed \$5,000, the Town will request that additional funds be placed in escrow. NH RSA 676:4 I (g) allows the Planning Board to assess reasonable fees to cover investigative studies, the review of documents and other matters related to the application.
