Mike Morrison-Entomologist: Grub Control

The entomologist, Michael Morrison, reported that no European Chafer grubs were present in 2016 due to extreme drought conditions. This observation has been confirmed by Tom Duffy while digging graves. No funds were expended from the amount (\$3,795.00) raised by the town for grub control at the cemetery. and we plan to encumber this amount to cover the grub monitoring and control program in 2017.

Adjournment: Meeting closed at 4:10 pm

Respectfully submitted,

Alan Wilson
