Minutes: approved - 9/27/15

Old Business

- Pease Obstruction Project (Hoyle-Tanner)
- Plan to place 2 L-810 lights on 100 foot poles in the trees above the transfer station
- Will minimize impact to Pickering House
- Will leave a buffer on road and near the spring
- Lights will not be visible from the road
- P.Pelletier moved, E.D'Orto 2nd, that the HDC send a letter concurring with the plan to place two L-810 obstruction lights in the trees above the transfer station. The HDC expects minimal disturbance to the area, consistent with installing the poles for the lights.
  
- Eversource Seacoast [Power] Reliability Project (SRP)
  - No additional information
  
- CLG 2014 - 15 - mapping project
  - Mae Williams public presentation on October 29
    - Maps will be on display for the public
    - Tom will present the GIS component at a later date
  - G.Pare and T.Morgan will prepare the final report by the end of the month
  
- CLG 2015 - 16
  - Content will be determined based on the 2014-15 report
  - M.Williams will be asked for a proposal based on available grant funds
  
- Historic District Sign
  - E.D'Orto and G.Pare have seen the sign in progress
  - Portsmouth Sign will install it
