

Langdon Library Minutes
Construction Meeting Feb. 7, 2014

Meeting was called to order at 10:05am

Present: Melissa Prefontaine, Steve Bush, Gup Knox, Lee Lamson, Scott Campbell.
Grace Sims, Teresa Tomlinson, Ron Lamarre, Chip Hagy

Meeting was held with Chip to make additional choices for furniture and fabric for the addition.

Cubbies for children's area – natural beech

Study room table – luna crest formica on top with cordova brown vinyl edge to match bronze trim elsewhere. 2 bow-tie tables. Natural wood maple chairs. Maple foot stool with leatherette fabric top.

Four fireplace armchairs – fabric to be decided later.
Current FP chairs – probably need 9 yds fabric to recover.

Leatherette chairs with maple wood arm caps. Coffee “bar” stools – leatherette seats. High tables – luna crest lam & vinyl edge.

Children's room - 12 - 12” white chairs; 8 - 16” high chairs – all piece molded.
Tables – gray mast, blue edge, blue base.

1913 room – 4 24”x60” folding VS tables: top flips up. White writable surface. Ron & Chip are looking into this for pricing and availability.

Decide later on table and chairs for ‘history’ room. Looking at classic mahogany surface, racetrack/oval shape, bullnose edge in wood. Chairs with upholstered seats and backs.

Shelving: est. ship date is 3/14. Have one chance to hold the delivery.

Meeting adjourned at 1 pm.

Next meeting: Tuesday, 2/11/14 at 6 pm
