

Town of Newington Planning Board

Topic: Master Plan Meeting Minutes for Thursday, November 7th 2019

Participants:

Denis Hebert, Chair

Peter Welch

Christopher Cross

Russ Cook

Theresa Walker, RPC consultant

Duration: Discussions were initiated at 4:40 PM and concluded at 5:45 PM

Activity:

1. Members discuss progress to date and planned work remaining.
Resolved concerns about selecting sufficient, but not excessive content and thoughts on how to best update out of date material that was to remain.
2. Group reviewed updates made by consultant on Utilities. Team made focus of Electric section from fossil fuel generation to the Coastal Power Grid, higher voltage transmission networks, and their controlling substations as the heart of electric delivery in Newington. Members to provide a list of utility maps to keep and update by RPC by late November.
3. Group made initial pass through the Resources chapter. Members pledged to provide additional comments and keep/drop recommendations for text, tables, and maps in current resource section.

Next Meeting: Thurs, December 12th @ 4:30 PM (Historic & Population chapters)

Respectfully submitted, Christopher Cross, NPB
