Town of Newington Planning Board Site Walk Minutes

271 Nimble Hill Road owned by John Liatsis

Monday, February 24, 2020, 4PM

DRAFT

Attendees: See attached sign in sheet.

-Chairman Hebert started the site walk at 4PM at the driveway entrance to the property. Mr. Jim Gove explaining the wetlands and Mr. Cory Colwell explaining flags for the centerline of the proposed road and property boundaries. Mr. Mark West and Mr. Jim Gove made some comments as to what brook we were looking at and the characteristics (flow, scoured bottom, plant growth, types of trees etc.) of the brook or wetland. Pickering Brook was pointed out to have a sand and gravel bottom. The direction of the water flow and where brooks crossed property boundaries toward Fox Point Road were also pointed out.

-The entire site was walked by the board stopping to observe the brooks, different wetlands, uplands and boundary lines.

-Chairman Hebert called an end to the site walk at 5:10 PM.
