**PDA Tree Planting Review:** M. The consensus of the group was to recommend that the tree line be widened with fewer rows to accommodate the number of trees proposed. They also thought that adding sumac to the list of trees to be replanted was a good idea. The PDA Tree cutting will begin on 10/9/17. M. Roy will forward a letter from the forester to the Conservation Committee. The forester will arrange a meeting with Charlie Moreno, PDA Forester.

Fairpoint is expected to move the telephone poles next week on Little Bay Road.

Discussion ensued about the flooring in the auditorium. The consensus of the Selectmen was for M. Roy to call Quality Flooring and ask them to come in and discuss options for the floor.

T. Connors would like the Town of Newington to go on the record as being opposed to HB 324 and in support of Home Rule on this issue of DRA assessing

utility properties. M. Roy will compose a letter for the Selectmen and copy our State Senators and State Representatives.
