Old Business

- Eversource Seacoast [Power] Reliability Project (SRP) - D.Hebert
 - Review of alternative plans (see map)
 - Must purchase underground rights
 - Must purchase any easement from PDA for Pease route
 - Eversource prefers to stay in existing Right of Way
 - Less impact on roads/traffic
 - Will stay underground from Bay past the Flynn Pit Pond
 - Town will provide land swap for easement
 - Return to buried from Frink Farm past Hannah Lane
 - HDC - Request buried before F Farm - viewshed protection
 - Clear 50' underground; 100' if above ground
 - Discussion of poles when for above ground lines
 - Proposed 78 foot "H" poles - wood or metal
 - see new substation, Portsmouth near U Haul for similar type
 - Remove or leave existing poles - plan not clear
 - HDC prefers any required poles not show above tree line; be a dark color
 - Needs to see examples before voting on exact type
 - HDC prefers that lines be buried through residential district past Fox Pt Rd
 - Pleased that plan is to stay underground through National Register District
 - Report shows National Register eligible houses at the end of Fox Pt Rd
- Historic District Sign - P.Pelletier to find P.Bd and BoS minutes and recommendations
- CLG 2014 - 15 - mapping project
 - Mae Williams, Historic Consultant will create the report - cost estimate received
- CLG 2015 - 16 Phase II - Update 2005 Town Wide Area Form (TWAF)
 - Application submitted to NHDHR on June 10 - unsigned
 - Submitted to BOS on June 15 - tabled, not signed
- Meeting Adjourned 5:20

Respectfully submitted

Gail Pare, Acting Secretary
