Correspondence

Old Business

- New Pease test wells tracking additional chemicals in contamination plume
 - New wells will be connected, unlike previous ones
 - Trees to be removed 6" - 12" in diameter
 - Will be chipped and spread over area
 - No slash left
 - Concerns: crossing stone walls, impact of trenches on remaining trees, restoration of forest floor
 - Long term restoration and removal plan needed to include current wells
- Eversource Reliability Project (Seacoast Pass)
 - New members placed on SEC to replace previous members
- Cannons on The Parade (Monument area)
 - M.Pottier contacted Environmental Restorations
 - Estimate cost of about \$3000 for paint and pads
 - Will seek more information
 - Get estimate from JB Masonry
- CLG 2016 - 17
 - Interim report sent to NHDHR

New Business

- Pontine Theater to hold program in Old Town Hall
 - Dates: November 3, 4, and 5
 - HDC voted to co-sponsor with Historical Society
- L.Pickering & C.Cross volunteered to investigate status of Arboretum Dr shoulders
 - Consider adding the area to Town Forest
 - To explore Newington taking ownership of Arbotetum Dr like McIntire Rd

Move meeting time to 4:30 - next meeting Aug 17

Meeting Adjourned 6:40pm (1840)

Respectfully submitted,

Gail Pare, Acting Secretary
