

Great Bay

National Wildlife Refuge

30th ANNIVERSARY

Saturday, October 15
9:00am to 3:00pm

This is a special event to celebrate 30 years since the establishment of the refuge in 1992.

- Join us for exclusive pedestrian access to Woodman Point* and Lower Peverly Brook. Staff will offer guided tours of these areas.
- Learn more about the former Weapons Storage Area, where biologists are working to support the population of state endangered New England cottontail.
- Stroll the pollinator garden and learn about the importance of pollinator friendly landscapes.
- Examine the history of the Refuge through interpretive displays.
- We'll offer all this and more!

Please no bikes and no pets. No preregistration for this event; simply show up!

* Active archery hunting area to Woodman Point; blaze orange encouraged.
