The Recreation Commission would like to extend our gratitude to Gregg Mikolaities for his many years of service to the Commission, Rye Recreation and the Town of Rye. Gregg joined the commission initially in 2001 and has since served more than 18 years as a member, over half of that time as Chairperson.

Gregg's accomplishments for recreation in Rye are many, from overseeing improvements to the fields and structures at the Rec Area, negotiating terms and pricing on contracts to steering budgets through approval. His knowledge and passion has motivated recreation staff and guided fellow commissioners to do what's best for all the citizens of Rye. Gregg also has a long history of coaching youth sports in town including for Rye LL and RJH baseball.

Although he is leaving the Recreation Commission, we have no doubt that Gregg's legacy of public service will continue. We wish him all the best and once again thank him for his camaraderie and the indelible mark he made. He will be missed.

READY. SET. SUMMER!

THE GRANITE YMCA
Summer Day Camps 2022
Portsmouth • Rochester

**EARLY ENROLLMENT
BEGINS FEBRUARY 7!**

Welcome to summer at The Granite YMCA.

We provide affordable, quality summer experiences with convenient options such as extended camp hours, transportation, and sibling discounts. Whether you're considering a traditional day camp, a specialty camp, or one of our overnight camps, summer at the Y is filled with excitement, adventure, new friends, lifelong memories, and most of all, discovery! With camp programs based on the Y values of caring, honesty, respect, and responsibility, we provide children with a priceless experience in a safe and supportive environment where their safety is our top priority.

There are few unique environments as special as camp, where kids become part of a community and form friendships as they learn both how to be more independent and how to contribute to a group as they engage in physical, social, and educational activities every day. Amidst all the fun of swimming, sports activities, archery, and creative arts, children develop attitudes that build character and promote leadership. At the Y, we feel that every child should be given the opportunity to experience summer camp. That is why we offer more than 30 camp programs at nine different Y locations across NH.

YOUR CHILD'S SAFETY

Camper safety is our top priority. The majority of our summer staff come from our before and after school programs, so they may already be familiar faces to your child. All staff receive reference and criminal background checks in addition to undergoing extensive summer camp training. Our counselors develop competencies in team building, character development, conflict resolution, emergency procedures, child abuse awareness and prevention, CPR, first aid, and age appropriate activity planning.

CAMP DIRECTORS AND COUNSELORS

YMCA staff are selected based on their expertise, background, and their strong desire to work with children. Our staff come to work each day motivated to provide your child with a safe and fun experience.

SPECIAL ACCOMMODATIONS

The Granite YMCA strives to provide all campers with a safe and positive camp experience. Parent/Guardian communication is key to the success of each and every camper, so if your child requires extra support, please set up a meeting with the camp director at your local Y prior to registering.

MORE CAMP INFORMATION

Additional information including policies, procedures and the packing list can be found in the Parent/Guardian Handbook available on our website at www.graniteymca.org/camps/what-you-need-to-know.

A YMCA MEMBERSHIP PROVIDES ACCESS TO FACILITY MEMBER CAMP RATES & CAMP SWIMMING LESSONS

To be eligible to pay the reduced facility member camp fees, your child(ren) must have and sustain an active Y membership from the time of registration through the camper's last session. Memberships may be purchased online or at your local branch. Terminating the membership prior to the end of the camp season will result in the price of the remaining camper weeks increasing to the Non Member (NM) rate. If you wish to terminate your child's membership at the end of their camp season, you may either stop by the Welcome Center desk to complete a termination form, send an email to membership@graniteymca.org, or write a letter with your request. Terminations must be submitted in writing 30 days prior to the scheduled deduction. Annual members will receive the balance of the unused portion of their membership. **Please note, while it is not required to have a membership to register for day camp, it is beneficial and more economical to have a youth or family membership if you are registering for four or more weeks of camp.**

AUTO DEDUCT POLICY

All camp payments must be made via automatic deduction from a credit/debit card or checking/savings account. A payment schedule will be emailed to you at the time of your registration confirmation. Should any charge or draft be returned or refused by the credit card or bank for any reason, the customer is responsible for that payment, plus the \$20 service charge applied by the Y. This is in addition to any service fee charged by the financial institution.

EARLY ENROLLMENT PAYMENT OPTIONS

Register by March 6 and pay only the registration fee and Facility/Family Membership fee (if applicable) upon registration. No deposits required! You must provide a credit/debit card or checking/savings account for weekly auto deduct payments.

Weekly auto deduct payments are scheduled at the time of registration to begin within five business days, and continue until three weeks prior to the start of each camp session in order to make your weekly payments as low as possible. Please note that any add on fees not paid in full upfront will be auto deducted three weeks prior to the start of each session.

FLEXIBLE PAYMENT OPTIONS

If you are not able to take advantage of the early enrollment option, we have other convenient payment plans. Register between March 9 – July 27. If you are using the Flexible Payment option, the \$30 registration fee, Facility/Family Membership fee (if applicable), and \$25 deposit for each session will be auto deducted within five business days of receipt of registration. Please Note: \$25 non-refundable deposits for each session of camp will be automatically credited toward weekly session fees. Choose from two convenient options below. When you register you must also provide a checking/savings account or credit/debit card number for auto deduct payments.

- Have your weekly auto deduct payments begin within five business days of registration and continue until three weeks prior to the start of each camp session (option ends May 29). Please note that any add on fees not paid in full upfront will be auto deducted three weeks prior to start of each session.
- Have your payments auto deducted **three** weeks prior to the start of each camp session

FINANCIAL ASSISTANCE

Thanks to generous donations from Y families, staff, camp alumni, local businesses and donors, **financial assistance is available for families who may not be able to afford a day camp experience for their child.** Start the application process as soon as possible as funds are limited. Complete the registration form, marking sessions you would like your child to attend. Check the box indicating you would like financial assistance. A financial aid application with supporting documents will be required which can be found online or at your local branch. Please note that recipients of state reimbursement are not eligible (see below). Enclose the day camp registration form, registration fee, and facility membership fee (if applicable) with a \$25 deposit per session and forward to the Y. Our camp registration staff will contact you to discuss financial assistance options.

STATE OF NH REIMBURSEMENT

Reimbursement is based on age, service level (full, half, or part time), cost share, and whether your child is attending a state licensed camp. Some camps do not qualify. State of NH parent cost share is determined by household income. Registrations must be received at least three weeks prior to the start of the camping session. For more information, visit www.granitemca.org/camps or contact the day camp registrar at your local branch.

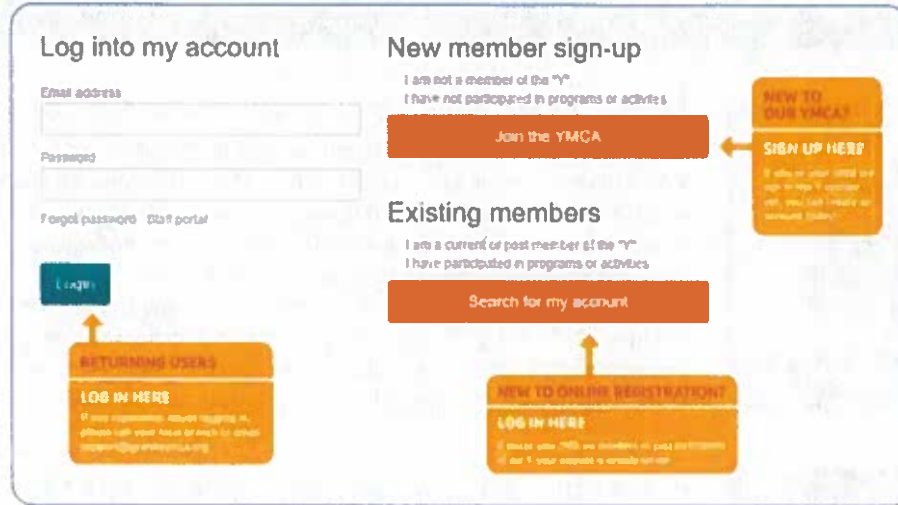

SPECIAL OFFERS

Sibling Discount: receive a \$10 discount per session for a second child (and each thereafter) from the same family when attending camp during the same session(s).

Early Enrollment: returning campers and their families pay only the \$30 registration fee upon registering. Weekly auto deduct payments are scheduled at time of registration to begin within 5 business days. No deposits required!

MEET OUR CAMP DIRECTORS

CLAIRE YOUNG

SENIOR CAMP DIRECTOR | YMCA OF THE SEACOAST

Claire joined the YMCA of the Seacoast staff in the fall of 2019. She comes from a long history with the Y as a former camper, camp staff member, lifeguard, and swim teacher. She worked at a YMCA resident camp in upstate New York for 6 years starting as a counselor and eventually became the camp's Aquatics Director. Claire received a Bachelor's Degree from Siena College in New York and went on to receive a Master's Degree in Elementary Education. Most previously, she worked as an elementary school teacher. Claire believes in the core values of the Y and the benefit the Y has on the community and children. She hopes to continue to grow the after school and day camp programs at Camp Gundalow and expand them to even more families in the Greenland and Portsmouth area. In her free time, Claire loves to spend time outdoors going hiking, skiing, biking, and swimming.

KEVIN MAHANEY

CAMP GUNDALOW DIRECTOR | YMCA OF THE SEACOAST

Kevin grew up in Billerica, MA and moved up to the Seacoast area about 6 years ago. He has worked with children for over 10 years as a job coach, paraprofessional, ABA therapist, and theater educator. He also has previous experience running art-based programs at summer camps. This is Kevin's first position with a YMCA but he grew up taking swim lessons at the Y. Kevin joined the YMCA of the Seacoast staff in 2021. He hopes to learn more about what works best for child care. He cares a lot about the future of children and strives to be someone they can depend on and look up to. In his free time, Kevin enjoys watching a lot of movies and TV shows. He is also a professional performer and does musical theater and play productions in the area.

ZACH ROBIDOUX

CAMP CONEY PINE DIRECTOR | YMCA OF STRAFFORD COUNTY

Zach joined the YMCA of Strafford County staff in late 2020. Although this is his first time working within a YMCA, he has worked in the camp and afterschool field since he was 16 years old. Most recently, Zach spent the past 7 years running afterschool and camp programming. Partnering with families and the community has always been a high priority for him. He is excited to learn more about the Y's philosophy and vast history. Zach hopes to be able to create quality programs where kids can experience safe spaces to learn and grow, and work with staff and families to better the community.

MIA BRIKIATIS

ASSISTANT CAMP DIRECTOR | YMCA OF STRAFFORD COUNTY

Mia grew up in Windham, NH and now lives in the Strafford County area. She joined The Granite YMCA staff in 2019 and since then has worked in multiple different child care positions. This will be her 3rd summer at Camp Coney Pine and her 2nd year as the Assistant Camp Director. Mia is currently pursuing a Master's Degree in the Art of Teaching. What drew Mia to the Y were the core values of respect, responsibility, caring, and honesty that align closely with her own personal values. She wanted to give back to the community she has become a part of. In her free time, Mia enjoys going hiking, rock climbing, snowboarding, and anything outdoors!

Summer at the Y is filled with excitement, adventure, new friends, lifelong memories, and most of all discovery! Amidst all the fun of daily trips, sports activities, archery, and cooking; children develop positive attitudes and skills that build character and promote leadership. But, for many families, this wonderful opportunity is not possible without the financial assistance the Send a Kid to Camp Campaign provides.

Help send a deserving child to camp this summer by giving a donation when you register online or on your registration form.

Swim Tests

Swim tests are an important part of keeping our campers safe during summer camp. While lifeguards are on duty during all swim sessions, campers are tested to assure they are swimming in the appropriate section of the pool based on their ability. Here is a description of our swim classifications and requirements based on the Test Mark Protect program of the YMCA of the USA:

Red: non-swimmer/beginner; could not complete the yellow test or refused swim test; will wear a camp-provided floatation device when swimming and will remain in shallow water.

Yellow: shallow water swimmer; can swim half the length of the pool with face in the water; tread water/float on back for 30 seconds; no floatation device required to swim and will remain in shallow water.

Green: deep water swimmer; can swim full length of the pool with face in the water; tread water for 1 minute and float on back for 30 seconds; jump into deep end and swim to ladder/wall; may use entire pool; no floatation device required.

These guidelines will be adhered to even during nonrelated evening and weekend events. Swim tests will occur during the first day of camp. There will be additional opportunities for your camper to re-test throughout the summer.

Their system will give The Granite YMCA staff instant access to camper health information, a key component in providing quality care.

The security, confidentiality and privacy of your camper's personal health information will always be protected. Only The Granite YMCA staff will have access to camper health information, and the CampDoc.com site is secure, encrypted and password protected.

You will receive an email from CampDoc.com with information about how to complete your camper's health information within 7 – 10 days.

- Click the link in this email to set a password or log into your CampDoc.com account
- Follow the instructions, and confirm or update the health profile for your camper. Alerts will appear for any missing required information
- Upload any required or updated documents to your CampDoc.com account

If your child needs to take any type of medication you **MUST** provide a note of consent written and signed by a licensed healthcare provider stating the medication, dosage, and reason for taking the medication.

Please note that without a form of consent our camp staff will not be able to dispense medication to your child.

WHAT HAPPENS IF SCHOOLS ARE IN SESSION DURING THE FIRST AND LAST WEEK OF CAMP?

We will prorate the first week, June 27 – July 1, and the last week, August 22 – 26, per the school calendar, depending on your town of residence. Your invoice will be automatically adjusted.

WHAT MEDICAL INFORMATION DOES CAMP NEED?

Your child must have had a complete physical within the last two years (within one year for campers under the age of 6) and record of all immunizations received to date. Campers are not allowed to attend camp without a current physician-signed medical form. All required health forms will be completed through CampDoc, an electronic health record system for camps. You will receive an email from CampDoc providing you with your log in information and instructions on how to complete all necessary fields and upload all required documents. **Any camper without this information completed before the first day of camp will not be permitted to attend camp until the file is complete. No exceptions will be made.**

TRANSPORTATION SERVICE AT CAMP

To enable us to serve as many Y campers as possible, bus transportation is provided to and from selected communities for campers participating in camps at the **YMCA OF STRAFFORD COUNTY**, for an additional fee. **Please note:** transportation is not available for campers participating in swim lessons. Please refer to **page 16** for more information regarding transportation.

Transportation request forms and a complete list of pick-up and drop-off locations are available online at www.graniteymca.org/camps. Pre-registration is required. Keep in mind that those using the bus service are unable to take advantage of before and after camp care. Contact your Camp Director if you have additional questions.

WHAT IS THE POLICY REGARDING REFUNDS, CANCELLATIONS, AND ADDING CAMP WEEKS?

All cancellations up to **four weeks** prior to the camp session will receive a refund, minus the \$30 registration fee, Facility Membership fee (if applicable), and \$25 per session. Cancellations with less than a **four week** notice will forfeit the entire fee of camp.

Transfers:

You may transfer your child to another session if space is available and it is at least two weeks in advance. If you are transferring your child to a new camp session we will transfer the deposit to the newly registered session; however, deposits will not be transferred into previously registered camp sessions.

Additions:

To add a week of camp, the \$25 deposit will be deducted immediately. The balance of the additional session will be processed according to your payment plan. You may add a child to a camp session if space is available and it is received no later than **12:00 PM on the Wednesday** prior to the camp session. Additions made within three weeks or less of the camp start date will have the payment auto deducted in full from the account on file.

The Recreation Commission would like to extend our gratitude to Gregg Mikolaities for his many years of service to the Commission, Rye Recreation and the Town of Rye. Gregg joined the commission initially in 2001 and has since served more than 18 years as a member, over half of that time as Chairperson.

Gregg's accomplishments for recreation in Rye are many, from overseeing improvements to the fields and structures at the Rec Area, negotiating terms and pricing on contracts to steering budgets through approval. His knowledge and passion has motivated recreation staff and guided fellow commissioners to do what's best for all the citizens of Rye. Gregg also has a long history of coaching youth sports in town including for Rye LL and RJH baseball.

Although he is leaving the Recreation Commission, we have no doubt that Gregg's legacy of public service will continue. We wish him all the best and once again thank him for his camaraderie and the indelible mark he made. He will be missed.
